ASSIGNMENT

JOINT

THIS ASSIGNMENT, by Jeffrey J. Seilhamer, John A. Lewicki, Robert M. Scarborough, Jr.,
and J. Gordon Porter

(hereinafter referred to as the assignors), residing at Milpitas, California, San Jose, California,
Hayward, California and Newark, California

respectively, witnesseth:

WHEREAS, the said assignors have invented certain new and useful improvements in RECOMBINANT
TECHNIQUES FOR PRODUCTION OF BRAIN NATRIURETIC PEPTIDE

set forth in an application for Letters Patent of the United States, having an oath or declaration executed on even
date herewith; bearing Serial No. 206,470 and filed on 14 June 1988; and

WHEREAS, CALIFORNIA BIOTECHNOLOGY INC., a corporation
duly organized under and pursuant to the laws of Delaware, and having its principal
place of business at 2450 Bayshore Parkway, Mountain View, California 94043

(hereinafter referred to as the assignee) is desirous of acquiring the entire right, title and interest in and to said
inventions and said application for Letters Patent of the United States, and in and to any Letters Patent or Patents,
United States or foreign, to be obtained therefor and thereon:

NOW THEREFORE, in consideration of one Dollar (\$ 1.00) and other good and sufficient consid-
erations, the receipt of which is hereby acknowledged, the said assignors have sold, assigned, transferred and set
over, and by these presents do sell, assign, transfer and set over, unto the assignee, its successors, legal representa-
tives and assigns, the entire right, title and interest in and to the abovementioned inventions, application for Letters
Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may
be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said
application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Conven-
tion for the Protection of Industrial Property, the same to be held and enjoyed by the said assignee, for its own use
and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or
terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held
and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, the said assignors hereby covenant and agree to and with the said
assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these
presents, the said assignors are the sole and lawful owners of the entire right, title and interest in and to the said
inventions and the application for Letters Patent abovementioned, and that the same are unencumbered and that the
said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set
forth.

AND for the same consideration, the said assignors hereby covenant and agree to and with the said
assignee, its successors, legal representatives and assigns, that the said assignors will, whenever counsel of the said
assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in
connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters
Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any
division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any
Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths,
and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of
Letters Patent for said inventions, without charge to the said assignee, its successors, legal representatives and
assigns, but at the cost and expense of the said assignee, its successors, legal representatives and assigns.

AND the said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the
United States to the said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for
the sole use and behoof of the said assignee, its successors, legal representatives and assigns.
