NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) to us in hand paid by said Assignee, and for other good and valuable consideration, the receipt of which is hereby acknowledged, we hereby sell, assign, transfer and set over to said Assignee our entire right, title and interest in and to said invention throughout the world, and said application for United States Letters Patent and any and all divisions, continuations and reissues thereof, and any and all Letters Patent of the United States and foreign countries which may be granted therefor, the same to be held and enjoyed by said Assignee for its own use and enjoyment and for the use and enjoyment of its successors, assigns, or other legal representatives to the end of the term or terms for which said Letters Patent of the United States or foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.
