ASSIGNMENT

For good and valuable consideration received of the hereinafter named assignee, receipt of which is hereby acknowledged, the undersigned assignors:

William C. Stumphauzer, an individual residing at 44550 Stang Road,
Elyria, Ohio 44035, and

Hugh F. Groth, an individual residing at 3626 Hawthorne Drive, Richfield,
Ohio 44286

hereby sell and assign to assignee:

Liquamelt Licensing, LLC, a Limited Liability Company organized under
the laws of the State of Ohio and having a principal place of
business at 44550 Stang Road, Elyria, Ohio 44055

its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the inventions in set forth in the following application for United States Letters Patent:

U.S. Pat. App. Ser. No. 11/290,360, filed November 30, 2005, entitled
"MULTI-FUNCTION HEAT EXCHANGER"

and any and all other applications for Letters Patent on said inventions in countries foreign to the United States, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patent and reissues and extension of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent including, but not limited to, priority rights predicated upon and/or arising from the following:

U.S. Provisional Pat. App. No. 60/632,158, filed December 1, 2004.

The assignee is hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the undersigned or in the name of said assignee or otherwise as said assignee may deem advisable, under the International Convention or otherwise.

The Commissioner of Patents of the United States of America and the empowered officials of all other governments are hereby authorized to issue or transfer all said Letters Patent to said assignee in accordance herewith.

This Assignment is being made under covenant, not only that full power to make the same is had by the undersigned, but also that such assigned right is not encumbered by any grant, license, or other right heretofore given, and that the undersigned will do all acts reasonably serving to assure that the said inventions, patent applications and Letters Patent shall be held and enjoyed by said assignee as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made, and particularly to execute and deliver to said assignee all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and substance which may be requested by said assignee, to furnish said assignee with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to practice of said inventions, and to testify in any proceedings relating to said inventions, patent applications and Letters Patent.
