ASSIGNMENT

WHEREAS, we, JEFFREY M. BRITTAN, SIMON J. ARCHIBALD, MARK SPILKER and RONALD T. INGRAM residing at 709 Regal Rd. Encinitas, CA 92024; 21 Maple Lane, Pennington, NJ 08534; 18 Haymarket Court, Cranbury, NJ 08512; and 2072 Wandering Road, Encinitas, CA 92024; respectively, have jointly made a certain new and useful invention in SUTURABLE DURAL AND MENINGEAL REPAIR PRODUCT COMPRISING COLLAGEN MATRIX, which is described in a provisional utility application for Letters Patent of the United States based thereon, filed on January 12, 2006, having the Application Serial No. 60/758,463 and the Attorney Docket Number I1026/20070, and

WHEREAS, Integra LifeSciences Corporation having an office and place of business at 311C Enterprise Drive, Plainsboro, NJ 08536, is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by us during the course of our association with Integra LifeSciences Corporation and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, we, JEFFREY M. BRITTAN, SIMON J. ARCHIBALD, MARK SPILKER and RONALD T. INGRAM, by these presents do sell, assign, and transfer and convey unto Integra LifeSciences Corporation, our whole and entire right, title and interest, in and throughout the United States, its territories and all countries foreign thereto, in and to said invention and any improvements thereon which may be made, conceived, or acquired by us during the course of our association with Integra LifeSciences Corporation, and for one year thereafter, and in and to said application for Letters Patent and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and all international priority

rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon.

TO BE HELD AND ENJOYED by Integra LifeSciences Corporation and its legal representatives and assigns to the full ends of the terms for which said Letters Patent have been granted or may be granted as fully and entirely as the same would have been held and enjoyed by us had no sale and assignment of said interest been made; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all letters Patent which may be granted upon the said invention above referred to, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived, or acquired by us during the course of our association with the said company and for one year thereafter, to Integra LifeSciences Corporation, and for the aforesaid consideration we hereby covenant and agree for ourselves, our heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by the Assignee herein named, fully to secure and maintain to the said Assignee its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, all without further compensation to us.

We do hereby covenant for ourselves and our legal representatives, and agree with Integra LifeSciences Corporation, and its legal representatives, that we have granted no license to make or sell the said invention, that prior to the execution of this assignment our entire right, title and interest in the said invention have not been encumbered, that we then had good right and title in and to the invention, and that we have not executed and will not execute any instrument in conflict therewith.

We hereby authorize said Assignee to insert on this Assignment the serial number of the above-identified application when it becomes available.

IN WITNESS WHEREOF, I, JEFFREY M. BRITTAN, having read the aforesaid Assignment and intending to be legally bound thereby, have hereunto affixed my hand and seal this 26 day of January, 2006.
