ASSIGNMENT

U.S. Patent No. 6,448,517
U.S. Patent No. 6,452,121
U.S. Patent No. 6,455,790
U.S. Patent No. 6,486,422

Whereas,

Everett L. Ogden

(hereinafter referred to as Assignor) has previously executed on May 15, 2000, an assignment (a copy of which is appended hereto) recorded in the United States Patent and Trademark Office at reel/frame 010910/0374, said assignment having assigned all rights in U.S. Patent Application Serial No. 09/247,266 (now U.S. Patent No. 6,281,456) to Par Technology, Inc., P.O. Box 3636, Ponte Vedra Beach, FL 32004 (hereinafter referred to as Assignee), including all rights in any divisions, continuations and continuations-in-part of that application; and

Whereas, U.S. Patent No. 6,448,517, issued September 10, 2002, was a continuation-in-part of U.S. Patent Application Serial No. 09/247,266;

Whereas, U.S. Patent No. 6,452,121, issued September 17, 2002, was a continuation-in-part of U.S. Patent Application Serial No. 09/247,266;

Whereas, U.S. Patent No. 6,455,790, issued September 24, 2002, was a continuation-in-part of U.S. Patent Application Serial No. 09/247,266; and

Whereas, U.S. Patent No. 6,486,422, issued November 26, 2002, was a continuation-in-part of U.S. Patent Application Serial No. 09/731,191, which was a continuation-in-part of U.S. Patent Application Serial No. 09/247,266;

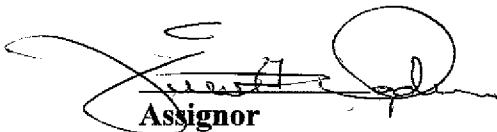

Now, therefore, it is the intent of Assignor by execution of this document to memorialize and reaffirm the earlier transfer of rights establishing Par Technology, Inc., as previous owner of all rights in U.S. Patent Nos. 6,448,517, 6,452,121, 6,455,790 and 6,486,422, such rights having been subsequently assigned by Par Technology, Inc., to Switch 4 Solutions, Inc., by an assignment dated December 2, 2005, recorded in the U.S. Patent and Trademark Office at reel/frame 016844/0989, such that Switch 4 Solutions, Inc. is the current owner of all such rights.

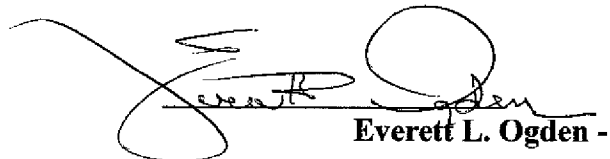

Now, therefore, in consideration of ten dollars (\$10.00) and other good and sufficient considerations previously rendered, the receipt of which is hereby acknowledged, the said Assignor avers and affirms that it has sold, assigned, transferred and set over, and by these presents did on May 15, 2000, sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above mentioned inventions, Letters Patents, or reissues or

extensions of said Letters Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the Assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patents were granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

And for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said Assignor was the sole and lawful owner of the entire right, title and interest in and to the said inventions and Letters Patents above mentioned, and that the same were unencumbered and that the said Assignor had good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Signed at Ponte Vedra Beach, in the County of St. Johns, State of Florida.

ASSIGNMENT

Serial No. 09/247,266

This Assignment, made this 15th day of May, 2000, by:

Everett L. Ogden

(hereinafter referred to as the Assignor), of P.O. Box 1027, Columbus, NC 28722, who has invented certain new and useful improvements in an invention entitled:

Three-Axis Gravity Switch

as set forth in a pending application for Letters Patent of the United States filed February 10, 1999, and assigned Serial Number 09/247,266 from the United States Patent and Trademark Office;

Whereas,

Par Technology, Inc.

(hereafter referred to as Assignee), a corporation formed under the laws of the State of Florida, with principal place of business at 85 Morning Ridge Dr., Columbus, NC 28722, is desirous of acquiring the entire right, title and interest in and to said inventions and said applications for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefore and thereon;

Now, therefore, in consideration of ten dollars (\$10.00) and other good and sufficient considerations, the receipt of which is hereby acknowledged, the said Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above mentioned inventions, applications for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefore and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said applications, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by the said Assignee, for its own use and behoof and the use and behoof of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

And for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, the said Assignor is the owner of the entire right, title and interest in and to the said inventions and the applications for Letters Patent above mentioned, and that the same are unencumbered and that the said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

And for the same consideration, the said Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that the said Assignor will, whenever counsel of the said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said applications for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to the said Assignee.

And the said Assignor hereby requests the Commissioner of Patents to issue said Letters Patent of the United States to the said Assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behoof of the said Assignee, its successors, legal representatives and assigns.

Signed at Jacksonville, in the County of St. Johns, State of Florida, this 15 day of May, 2000.
