For good and valuable consideration, the receipt and sufficiency of which are acknowledged, the undersigned assigns to SIDEL PARTICIPATIONS, Avenue de la Patrouille de France, 76930 Octeville Sur Mer, FRANCE, its successors, and its assigns ("Assignee"), the entire right, title, and interest in the inventions disclosed in the accompanying applications, in the applications themselves, in all related applications filed in the U.S. or abroad, in all resulting patents that may be issued on the applications, and in any reissue or extension of those patents.

The undersigned authorizes and requests the Commissioner for Patents to issue the patents to Assignee.

The undersigned authorizes and requests the attorneys of record to insert the filing dates and serial numbers of the applications into this assignment when they are officially known.

The undersigned warrants that he owns the interest being assigned, that he has the right to make this assignment, and that there are no outstanding prior assignments, licenses, or other rights in the interest being assigned except in favor of Assignee.

For the same consideration, the undersigned agrees, upon the request and at the expense of Assignee, to execute all necessary oaths or affidavits relating to the inventions or any of the applications, and all other documents related to the applications that Assignee may deem necessary or expedient. For the same consideration, the undersigned further agrees, upon the request of Assignee, to cooperate to the best of his ability with Assignee in preparing and executing the preliminary statement and giving and producing evidence if there is an interference or opposition, and to perform all affirmative acts to obtain patents and to vest all rights in those patents in Assignee, so the patents will be held and enjoyed by Assignee as fully and entirely they would have been held and enjoyed by the undersigned if this assignment had not been made.
