ASSIGNMENT

In consideration of ONE DOLLAR (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Robert Farber (hereinafter referred to as Assignor) assign to GSC TECHNOLOGIES CORPORATION (hereinafter referred to as Assignee), a Canadian corporation, having a principal place of business at 160 Vanier Street, St. Jean, Quebec, Canada J3B 3R4, its successors, legal representatives and assigns, the entire right, title and interest throughout the world in Assignor's invention or improvement in Stacking Chair, as described in the Application Serial No. _____ for Letters Patent of the United States therefore, and filed on _____, and in any and all other United States applications, regular and provisional, and applications in any and all countries which Assignors may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States or of any other country which may be obtained or any of the said applications, and, if provisional, in any regular application referring thereto pursuant to 35 USC 119(e) or other internal priority legislation, and in any division, continuation, reexamination, reissue or extension of any of the foregoing.

Assignor hereby authorizes and requests the Commissioner of Patents to issue any Letters Patent on said invention or improvement to GSC TECHNOLOGIES CORPORATION.

Assignor warrants that he is the owner of the entire right, title and interest in and to the invention and patent application herein assigned and has the right to make this assignment; and further warrants that there are no outstanding prior assignments, licenses, or other rights whatsoever (including, without limitation, shop rights) in the interest herein assigned.

For said considerations Assignor hereby agrees upon the request and at the expense of said Assignee, its successors, legal representatives and assigns, to execute any and all regular, divisional, continuation, and renewal applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted

upon said application that said Assignee, its successors, legal representatives and assigns may deem necessary or expedient.

For said consideration Assignor further agrees upon the request of said Assignee, its successors, legal representatives and assigns, in the event of said application, or any regular application referring thereto, or any continuation or division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof becoming involved in Interference or any other contested matter to cooperate to the best of his ability with said Assignee, its successors, legal representatives and assigns in the matters of preparing and executing the preliminary statement or other such document and giving and producing evidence in support thereof. Assignor further agrees to perform, upon such request, any and all affirmative acts to obtain said Letters Patent, and vest all rights therein hereby conveyed in the said Assignee, its successors, legal representatives and assigns whereby said Letters Patent will be held and enjoyed by the said Assignee, its successors, legal representatives and assigns to the end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

For said consideration, Assignor also assigns to said Assignee, its successors, legal representatives and assigns the entire right, title and interest in said invention or improvements for any and all foreign countries and the right of priority for patent and utility model applications in all countries arising under any applicable international convention for the protection of industrial property and/or any internal priority legislation of such countries, and Assignor agrees upon the request of said Assignee, its successors, legal representatives and assigns to execute any and all documents that shall be required to be executed in connection with any and all applications for foreign Letters Patent thereof, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said Assignee.

I authorize and request the attorneys of record in said application to insert in this assignment the date and serial number of said application when officially known.
