ASSIGNMENT OF PATENT

THIS ASSIGNMENT is made this 17th day of January, 2007, between James M. Sheppard, Jr., a North Carolina resident (the "Assignor"), and Devant Ltd., a North Carolina corporation (the "Assignee").

WHEREAS, Assignor is the owner of U.S. Patent No. D509,093 for "Towel with border" (the "Patent");

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

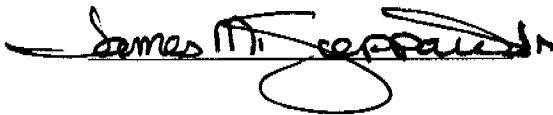

Assignor, by these presents does sell, assign and transfer unto Assignee, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in the Patent, (ii) in and to the Patent, (iii) in and to any divisional, continuation, and continuation-in-part applications describing in whole or in part the said inventions and improvements of the Patent, preparatory to obtaining Patent of the United States therefor, (iv) in and to any reissues and/or reexaminations of the aforementioned, (v) in and to any patent applications filed in the United States describing in whole or in part the said inventions and improvements thereto, from which priority may be claimed under Title 35 of the United States Code, and (vi) in and to the right to claim any applicable foreign and domestic priority rights arising from such provisional patent applications; and Assignor does hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from said applications, or from a division, continuation, continuation-in-part, or reissue thereof, to Devant Ltd., as Assignee, for its interest and for the sole use and benefit of Assignee and its assigns and legal representatives;

AND, for the same consideration, Assignor by these presents does sell, assign and transfer to Assignee the full, exclusive and entire right, title and interest in and to any foreign patent application or applications corresponding to the Patent, in whole or in part, in and to any Patent and similar protective rights granted on said application or applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign application or applications under the terms of any applicable conventions, treaties, statutes, or regulations; said

foreign applications to be filed and issued in the name of Assignee and or its respective designees, insofar as permitted by applicable law;

AND, for the same consideration, Assignor does hereby agree to provide all necessary documentation, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Assignee its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.

Assignor,
James M. Sheppard, Jr.
