ASSIGNMENT

WHEREAS, We, MARK W. PILLING, a citizen of the United States and resident of Jenks, Oklahoma, MARKUS FISCHER, a citizen of Germany and resident of Konstanz, Germany and DALE EDWARD NUTTER, a citizen of the United States and resident of Peralta, New Mexico have invented new and useful improvements in TRAY FOR A MASS EXCHANGE COLUMN for which an application for United States Letters Patent was filed on December 21, 2006.

WHEREAS, Sulzer Chemtech AG, a corporation organized under and by virtue of the laws of Switzerland and having an office in Winterthur, Switzerland is desirous of obtaining the entire right, title and interest in and to the said application and the invention therein described and claimed and any Letters Patent that may be issued upon said application or for the improvements therein contained.

NOW, THEREFORE, In consideration of One Dollar (\$1) and other valuable consideration, we, the said Mark W. Pilling, Markus Fischer and Dale Edward Nutter, have sold, assigned and transferred and do hereby sell, assign and transfer unto the said Sulzer Chemtech AG., its successors and assigns, the entire right, title and interest in and to the said application and the invention therein contained, including the right to apply for any Letters Patent in the United States of America and in all foreign countries on said invention and to claim for such foreign applications the priority date of the United States application under the International Convention of 1883 and later modifications thereof, and any Letters Patent that may be issued thereon or therefor, in the United States and foreign countries, and all reissues, extensions, renewals, divisions and continuations thereof, to the full end of the term or terms for which said Letters Patent may be issued, the same to be held and enjoyed by the said Sulzer Chemtech AG, its successors and assigns, the same as it would have been held and enjoyed by us if this assignment and sale had not been made.

AND WE HEREBY authorize and request the Director of Patents and Trademarks to issue all such Letters Patent to the said Sulzer Chemtech AG in accordance with this instrument of Assignment.

AND WE FURTHER covenant and agree, in consideration of the premises, that we or our executors and administrators, will at any time upon request communicate to the said Sulzer Chemtech AG, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to us or to our executors and administrators, and that we will testify as to the same in any interference or other litigation when requested so to do by the said Sulzer Chemtech AG, it being understood that, Sulzer Chemtech AG will compensate us for my expenses reasonably incurred in complying with its requests.
