ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT is made by John M. HOLT (hereinafter referred to as the Assignor), with an address at 44 Percival Road, Hornchurch, Essex RM11 2AH, United Kingdom

WHEREAS the Assignor has invented an invention entitled: **"Multiple Machine Architecture with Overhead Reduction"** set forth in a United States patent application for Letters Patent filed on **October 18, 2006** and allocated US Application No. **11/583,359**;
and

WHEREAS WARATEK PTY LTD, a company organized under and pursuant to the laws of Australia having a place of business at Suite 18, 12 Tyron Road, Lindfield, New South Wales, 2070, Australia (hereinafter referred to as the Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and said United States patent application and in and to any United States Letters Patent to be obtained thereby

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention and United States patent application, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all United States Letters Patent which may be granted thereon, and reissues, re-examinations and extensions of said Letters Patent, the same to be held and enjoyed by the Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which said Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made

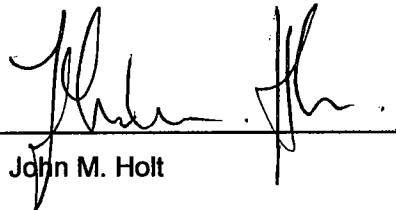

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives and assigns, that the Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any US Letters Patent and applications for US Letters Patent for said invention, at the expense of the Assignee, its successors, legal representatives and assigns, whenever counsel of the Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said invention, or said Patent application for US Letters Patent, including but not limited to interference proceedings, is lawful and desirable; or that any division, continuation or continuation-in-part of any application for US Letters Patent, or any reissue, reexamination or extension of any US Letters Patent, to be obtained thereon, is lawful and desirable

AND the Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to the Assignee, as the Assignee of said invention and the Letters Patent to be issued thereon, for the sole use and benefit of the Assignee, its successors, legal representatives and assigns

AND the Assignor acknowledges an obligation of assignment of this invention to the Assignee at the time the invention was made
