ASSIGNMENT

WHEREAS, I, David S. Kirn, of Lexington, Kentucky, have made a certain new and useful invention as set forth in an application for United States Provisional Patent Application executed by me the 13th day of December, 2005, entitled SURGICAL ARM SUPPORT LOCKING MECHANISM AND APPARATUS;

AND WHEREAS, Channel Products, L.L.C., a corporation of the Commonwealth of Kentucky, and having a place of business at 940 Cherrywood Drive, Lexington, Kentucky 40515, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer and set over unto Channel Products, L.L.C., its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of
