PATENT RELEASE

THIS PATENT RELEASE is made this 24 day of January, 2007, by THE CIT GROUP/BUSINESS CREDIT, INC. (the "Secured Party") in favor of AC CORPORATION (the "Grantor");

WITNESSETH:

WHEREAS, on May 4, 2004, the Secured Party and Grantor executed a Patent Security Agreement (the "Security Agreement"), which was recorded on May 21, 2004 at Reel 014646, Frame 0234, in the United States Patent and Patent Office, pursuant to which the Grantor granted Secured Party a lien in and security interest upon certain Patents of the Grantor as more particularly described in Exhibit A attached hereto (the "Patents"); and

WHEREAS, the indebtedness secured by the Security Agreement has been paid and satisfied in full and Secured Party, at the request of the Grantor, has agreed to release and terminate its lien in and security interest upon all of the Patents;

NOW THEREFORE, for and in consideration of the premises, and other good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, Secured Party hereby releases, discharges and terminates its lien in and security interest upon all of the Patents, and transfers and conveys to the Grantor all of the Secured Party's right, title and interest in the Patents and the goodwill associated therewith.

The Secured Party hereby irrevocably authorizes the filing of any and all documentation the Grantor deems necessary for the release of Secured Party's lien in the Patents. The Secured Party hereby irrevocably makes, constitutes and appoints the Grantor (and all persons designated by the Secured Party for that purpose) as the Secured Party's true and lawful attorney (and agent-in-fact) to sign the name of the Secured Party on any of such documents and to deliver the same to such corporation, association, partnership, organization, business, individual or government or political subdivision thereof or any government agency as the Grantor, in its sole discretion, may elect. The Secured Party ratifies and approves all acts of such attorney and agrees that such power is irrevocable so long as any lien in and security interest upon the Patents by the Secured Party under the Security Agreement or hereunder are outstanding.

This Patent Release shall be binding upon the Secured Party and its successors and assigns.

IN WITNESS WHEREOF, the Secured Party has duly executed this Patent Release on the day and year first above written.
