ASSIGNMENT

WHEREAS, Baton Development Inc., a corporation organized and existing under the laws of Minnesota, having its principal offices at Lot 37, 10040 E. Happy Valley Road, Scottsdale, AZ, 85255, (hereinafter referred to as the "Assignor") owns all right, title and interest in and to the patents and/or patent applications set forth on the attached Schedule A (hereinafter referred to as "Patent Rights");

WHEREAS, MedPro Safety Products, Inc., a corporation organized and existing under the laws of Delaware, and having its principal offices at 817 Winchester Road, Suite 200, Lexington, Kentucky, 40405, (hereinafter referred to as the "Assignee"), is desirous of acquiring all right, title and interest in and to the Patent Rights;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the said MedPro Safety Products, Inc., its successors and assigns, its entire right, title and interest in and to the Patent Rights, both foreign and domestic, that have or shall hereafter issue, including all of its rights under the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties, and Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to transfer said Patent Rights to the above-mentioned Assignee in accordance herewith.

Assignor hereby authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to transfer said Patent Rights and to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of any United States application falling within the definition of Patent Rights and/or otherwise take advantage of the provisions of the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties.

Upon said consideration, Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that Assignor will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor or his executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Patent Rights of the United States, or of any and all foreign countries with respect to the Patent Rights, and in enforcing any rights, occurring as a result of such Patent Rights, by giving testimony in any proceedings or transactions involving such Patent Rights.

IN WITNESS WHEREOF, Assignor. has caused this assignment to be duly executed as of the date and the year set forth herein.
