**ASSIGNMENT**

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Med Images, Inc., a \_\_\_\_\_ corporation having a place of business at 8060 Executive Park Drive, Knoxville, Tennessee 37923 for itself, its assigns and legal representatives ("Assignor") hereby:

and Robert Lee Thompson, an individual, residing at 19308 Pinecrest Trail, Rogers, Arkansas

1. Sells, assigns and transfers to Pinotage, L.L.C., an Arkansas corporation having a place of business at 19308 Pinecrest Trail, Rogers, Arkansas 72756, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, its entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in the United States Letters Patent(s) and foreign patent(s) and any patent applications in the United States or elsewhere as identified on the attached Schedule A, and in and to all non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any foreign country on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction on said inventions, including the right to apply for patent rights in each foreign country and all rights to priority;
2. Agrees that said Assignee may apply for and receive Letters Patent and utility model and industrial design registrations for said inventions in its own name; and when requested, without charge to but at the expense of said Assignee, agrees to carry out in good faith the intent and purpose of this assignment, by executing all such further assignments, powers of attorney and other papers, and by communicating to said Assignee all facts known to it relating to said inventions and the history thereof, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee;
3. Requests the Honorable Director of the United States Patent and Trademark Office and non-US patent authorities to issue said Letters Patent to said Assignee; and
4. Covenants with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor and that full right to convey the same as herein expressed is possessed by Assignor.

This instrument is executed under seal.
