ASSIGNMENT AND AGREEMENT

For value received, I, Oleksandr Sydorenko, of Painted Post in Steuben County of the State of New York, hereby sell, assign and transfer to Lucent Technologies Inc., a corporation of the State of Delaware, having an office at 600 Mountain Avenue, Murray Hill, New Jersey, 07974-0636, U.S.A. and its successors, assigns and legal representatives, any right, title and interest that I may have, for the United States of America, in and to certain inventions related to **HAVING POLYMERIC AND NONPOLYMERIC CONSTITUENTS** described in an application for Letters Patent of the United States, Serial No. 11/362,671, filed February 27, 2006, and any rights and privileges that I may have in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Lucent Technologies Inc. any right, title and interest that I may have in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and any rights and privileges that I may have under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

Under any rights that I may have, I authorize Lucent Technologies Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Lucent Technologies Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

Under any rights that I may have, I request that any and all patents for said inventions be issued to Lucent Technologies Inc. in the United States and in all countries foreign to the United States, or to such nominees as Lucent Technologies Inc. may designate.

I agree that, when requested, I shall, without charge to Lucent Technologies Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

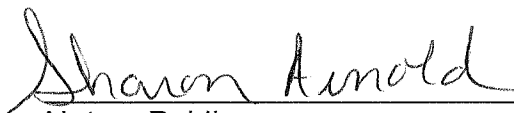

Oleksandr Sydorenko
