### ASSIGNMENT

WHEREAS, we, Paul Adam Sprague, residing at 9507 Lax Chapel Road, Kiel, Wisconsin 53042 and Peter John Boulanger, residing at 3150 W. Roselawn Drive, Appleton, Wisconsin 54914, made certain new and useful inventions and improvements for which we filed an application for Letters Patent of the United States on October 30, 2006, application Serial No. 11/589,449 which is entitled Package Closure and Method.

AND WHEREAS, Reynolds Consumer Products, Inc., a corporation organized and existing under and by virtue of the laws of the State of Delaware Corporation, and having an office and place of business at 6601 West Broad Street, Richmond, Virginia 23230-1723 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof; and, for a further reasonable fee to be negotiated in good faith, will testify in all legal proceedings to secure to and vest in said Assignee, its successors or assigns the entire right, title and

interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
