FOR VALUE RECEIVED, We, Fredrik Hansson; Peter Franzen; and Per Hiselius hereby sell, assign and transfer to:

HOWARD LEIGHT INDUSTRIES, L.L.C., a limited liability company duly organized and existing under the laws of the State of Delaware and having its principal place of business at 7828 Waterville Road, San Diego, California 92154, United States of America

as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries, in and to the inventions entitled:

CAP FOR USE AS HEARING PROTECTION

and to the corresponding application for Letters Patent of the United States, Serial No. 11/636,248 filed December 08, 2006, and all rights and privilege under any and all patents that may be granted therefor.

We request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.
