ASSIGNMENT

We, Kirk R. Johnson residing at 12045 Tilton Trail N., Rogers, MN 55374; and Thomas J. McManus residing at 4255 Deerwood Lane N., Plymouth, MN 55441, respectively, have made an invention relating to CAMERA WITH VISIBLE LIGHT AND INFRARED IMAGE BLENDING, for which a utility application identified by Attorney's File No. 410796.6.13.1 has been made, said application which may be identified in the United States Patent Office by Application No. 11/625,140, filed January 19, 2007.

In exchange for good and valuable consideration, the receipt of which we now acknowledge, we hereby assign to Infrared Solutions, Inc. ("Assignee"), a Minnesota corporation having its principal offices at 3550 Annapolis Lane North, Suite 70, Plymouth, MN 55447, its successors and assigns;

- (1) The entire right, title and interest to the above-identified invention and application;
- (2) The entire right, title and interest to any United States or foreign Letters Patents which ay issue with respect to the above-identified invention;
- (3) The entire right, title and interest to any renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions that may be filed with respect to the above-identified invention and application; and
- (4) The right to apply Letters Patents in foreign countries in its own name and to claim any priority rights to which such foreign applications are entitled under international conventions, treaties or otherwise.

We further agree for ourselves and for our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments or other documents and to perform such other lawful acts as (assignee), its successors and assigns may deem necessary to fully secure its rights, title or interest as outlined herein.

We hereby authorize and request the Commissioner of Patents and Trademarks to issue to (assignee) any Letters Patents which may be granted in accordance with this Assignment.
