and described in an application for patent in the United States of America identified above and executed by us, respectively; and

Whereas, **Magix AG ("Magix")**, a corporation duly organized and existing under the laws of the country of Germany, and having a principal office and place of business at Friedrichstrasse 200, 10117 Berlin, Germany, desires to record a specific assignment to the entire right, title and interest in and to the above-identified invention or inventions, and in and to any Letters Patent therefor in the United States of America and countries foreign thereto;

Now therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, we jointly and severally have sold and assigned, and hereby do sell and assign, to said **Magix**, its successors and assigns, the entire right, title and interest (a) in the above-identified invention or inventions and all improvements and modifications thereof, (b) in the above-identified application, all provisional and non-provisional applications for patent upon which the above-identified application claims benefit, and all other applications for patent of the United States of America and countries foreign thereto for the above-identified invention or inventions and all improvements and modifications thereof, (c) in all Letters Patent which may issue from said applications in the United States of America and countries foreign thereto, and (d) in all divisions, reissues, continuations, continuations-in-part, requests for continued examination, conversions, and extensions of said applications and Letters Patent; and covenant we have the full right so to do.

We hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent of the United States on the invention, or resulting from an application which claims the benefit of the present application, and from any and all divisions and continuations, requests for

continued examination, extensions, reissues or reexaminations of any such application to said **Magix**, and hereby covenant that we have full right to do so, and that we have not executed and will not execute any agreement in conflict herewith.

We further agree that we shall communicate to said **Magix**, its successors and assigns, or their representatives or agents all facts and information known or available to us relating to said invention or inventions, improvements and modifications including evidence for interference, reexamination, reissue, opposition, revocation, conversion, extension, or infringement purposes or other legal, judicial or administrative proceedings, whenever requested; testify in person or by affidavit as required by said **Magix**, its successors and assigns, in any such proceeding in the United States of America or a country foreign thereto; execute and deliver, on request, all lawful papers including, but not limited to, original, provisional, non-provisional, divisional, continuation, continuation-in-part, requests for continued examination, and reissue applications, renewals, assignments, powers of attorney, oaths, affidavits, declarations, and depositions; and provide all reasonable assistance to **Magix**, its successors and assigns, in obtaining and enforcing proper protection for said invention or inventions, improvements and modifications under the intellectual property laws of the United States of America and countries foreign thereto.

To comply with 37 CFR 3.21 for recordal of this Assignment, we hereby authorize and request the recording attorney to insert above the filing date and/or application serial number when they become known.
