ATTACHMENT A

PGS Geophysical AS hereby grants to FOI Swedish Defence Research Agency ("FOI") a non-exclusive, paid-up, perpetual, irrevocable, worldwide right to use a patentable invention assigned to PGS Geophysical AS pursuant to this Assignment for FOI's own operation, including for assignment from or in cooperation with a third party, in all fields other than exploration for and production of oil and gas and other minerals. Such right to use a patentable invention assigned to PGS Geophysical AS shall also extend to use within the fields of exploration for and production of oil and gas and other minerals, provided such use is for the purpose of Swedish total defence system or within Sweden or Swedish territorial waters. The right of use for the purpose of the Swedish defence system within the fields of exploration for and production of oil and gas and other minerals includes a right to produce, or have a third party produce, the system for this purpose. Except for the purpose of the Swedish total defence system and within Sweden or Swedish territorial waters, FOI is not allowed to sublicense any rights to a party within the fields of exploration for and production of oil and gas and other minerals. FOI is entitled to develop and change the patentable invention.
