Assignment and Agreement

For value received, we, **Robert Gordon Hood**, of Longforgan DD2 5EF, United Kingdom, and **Craig McLeod Duff** of Tayside DD3 0RX, United Kingdom, hereby sell, assign and transfer to Tayside Flow Technologies Ltd., having an office at Unit 20, Prospect Business Centre, Gemini Crescent, Technology Park, Dundee, Tayside, DD2 1TY, United Kingdom, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all of the inventions in the patent application entitled **Tubular Graft** and identified by DeMont & Breyer's Attorney Docket as **9931-011US**, Serial Number **11/470007**, filed on **September 5, 2006**, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Tayside Flow Technologies Ltd. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Tayside Flow Technologies Ltd. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Tayside Flow Technologies Ltd. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We hereby declare that we understand the definition of small entity as defined in 37 CFR 1.27 and in Title 13 of the Code of Federal Regulations, and we declare that the owner of this application is a small entity for the purposes of paying reduced fees to the United States Patent and Trademark Office. We further declare that we shall immediately notify, or cause to be notified, the USPTO when the owner of this application ceases to be a small entity for the purposes of paying reduced fees to the United States Patent and Trademark Office.

We hereby acknowledge that in the event of a conflict of interest between Tayside Flow Technologies Ltd. and us, the firm of DeMont & Breyer, LLC is the attorney for Tayside Flow Technologies Ltd. and is not our attorney.

We request that any and all patents for said inventions be issued to Tayside Flow Technologies Ltd. in the United States and in all countries foreign to the United States, or to such nominees as Tayside Flow Technologies Ltd. may designate.

We agree that, when requested, we shall, without charge to Tayside Flow Technologies Ltd. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
