PATENTS ASSIGNMENT

This Assignment, effective as of February 23, 2007 from Finetex, Inc., whose address is 379 Thornall Street, 2nd Floor, Edison, NJ 08837 (hereinafter the "Assignor"), to Innospec Performance Chemicals US Co., whose address is 379 Thornall Street, 2nd Floor, Edison, NJ 08837 (hereinafter the "Assignee"):

WITNESSETH THAT:

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby sell, transfer, convey and assign to the Assignee its entire right, title and interest in and to the patents/patent applications listed in Schedule A (the "Patents"), together with the right to sue for and recover for the past infringements and misuses thereof, its successors and assigns, and the goodwill of the business appertaining thereto and which is symbolized thereby.

Assignor hereby represents and warrants that to the best of its knowledge there are no rights or interests outstanding inconsistent with the rights and interests granted herein and that Assignor will not execute or grant or transfer any rights or interests inconsistent therewith and Assignor binds itself and its successors, assigns, administrators and legal representatives, as the case may be, to execute and deliver to Assignee, its successors and assigns, any further documents or instruments and do any and all further acts of a reasonable nature that may be deemed necessary by Assignee, its successors and assigns, to enable Assignee, its successors and assigns, to perfect the title herein conveyed, or intended to so be, and to enable such title to be recorded in the United States and foreign patent offices, and to enable Assignee, its successors and assigns, to file applications for the said Patents in any country where it may elect to file such application or applications and to allow the title to such application or applications to be recorded in the United States and foreign countries where such application or applications may be filed.

Assignor further covenants and agrees, that it, its successors, assigns, legal representatives and administrators, will at any reasonable time upon request communicate to Assignee, its successors and assigns, any facts relating to the Patents and the history thereof known to Assignor or its successors, assigns, legal representatives and administrators, and that Assignor will testify as to the same in any litigation when requested to do so by Assignee, its successors and assigns. It being understood that Assignee will compensate Assignor for its expenses reasonably incurred in complying with any such requests.

In witness whereof, the Assignor has hereunto executed this instrument on this date first above written by an official of Assignor duly authorized to execute such assignment.
