ASSIGNMENT

WHEREAS, I, MICHAEL D. MCNAUGHTON of El Lago, Texas, U.S.A., and I, EDMUND LOWRIE of Seabrook, Texas, U.S.A. have co-invented, a certain invention entitled "Providing Automated Delivery of Catalyst and/or Particulate to Any Filling System Device Used to Fill Tubes," the specification for which an application is about to be made for Letters Patent in the United States. Said application may be identified in the U.S. Patent and Trademark Office by Serial No. 11/643,227 (see the fourth paragraph of this document), and

WHEREAS, CATALYST SERVICES, INC., a Texas Corporation, having a business address at 11355 Highway 225, La Porte, Texas 77571, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefore;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said CATALYST SERVICES, INC., its successors and assigns, our entire right, title and interest in and to said invention, said application and any Letters Patent, both foreign and domestic, that may or shall issue, including any application and Letters Patent derived therefrom and all of our rights under the International Convention, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

We hereby authorize the above-mentioned assignee, its successors and assigns or anyone it may properly designate, to insert in this instrument the U.S. Serial Number of said application when ascertained.

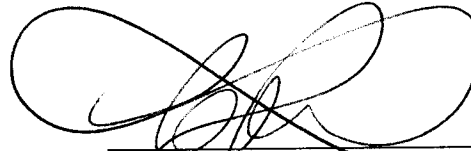

We further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration, we do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors, and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and all foreign

countries on said invention, and in enforcing or maintaining any rights, occurring as a result of such.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true.
