Docket No.: 17671US01

ASSIGNMENT
(sole inventor)

I, **German Holguin**, a resident of the city of Orchard Park, State of New York, and Country of USA,

have made an invention comprising certain new, useful, and nonobvious improvements in

MULTIPOWER VOLTAGE REGULATOR

Said invention is described or intended to be described and set forth in the patent application presently identified as Docket No. 17671US01:

- X which I executed on the same date as I signed this assignment for the purpose of seeking Letters Patent of the United States for my invention.

Prestolite Electric, Inc, a corporation organized and existing under and by virtue of the laws of the State of Delaware having a place of business at 2311 Green Road, Suite B, Ann Arbor, Michigan 48105, USA (hereinafter "said assignee") desires to acquire the entire right, title and interest in and to said invention, said application, and any Letters Patent which may be granted for said invention, said application, and any and all divisions, continuations, continuations-in-part, reissues, reexamination certificates, and extensions thereof.

I warrant and represent that I conceived said invention myself, that no one other than me is a joint inventor of said invention, and that I have not assigned or agreed to assign any rights in said invention or said application to anyone other than said assignee or a predecessor in interest to said assignee.

NOW, THEREFORE, in consideration of one dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to said assignee, its successors and assigns, the entire worldwide right, title, and interest in and to said invention, said application, and any Letters Patent which may be granted for said invention, said application, and any and all divisions, continuations, continuations in part, reissues, reexamination certificates, substitutes, and extensions of said application (each of which is included herein as a part of "said application"), including but not limited to all my United States and other national rights to said invention and said application and all my rights under the Paris Convention for the Protection of Industrial Property and all other applicable treaties or laws in respect to said invention and said application.

I hereby authorize and request the United States Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for said invention or upon said application to said assignee, its successors and assigns, in accordance with this assignment.
