**ASSIGNMENT BY SINGLE INVENTOR**

WHEREAS, the undersigned, hereinafter referred to as Assignor, has invented certain new and useful improvements in

**VEHICLE BUMPER AND METHOD OF MAKING SAME**

for which Assignor has made United States application for patent, under Serial No. 11/670,817, filed February 2, 2007 and

WHEREAS, SKD Automotive Group LP, having a place of business at 1450 West Long Lake Road, Suite 210, Troy, Michigan 48098, hereinafter referred to as Assignee, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt whereof is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto Assignee, its successors in interest, the full and exclusive right in the United States of America and all foreign countries, including the right to claim priority under the laws of the United States and the Paris Convention, to the said invention as described in the aforesaid application, said application for patent and all Letters Patent therefore to be held and enjoyed by Assignee to the full end of the term for which said Letters Patent are granted and any extensions thereof, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made; and Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of applications for patent in the United States and in all foreign countries, for litigation regarding, or for the purpose of protecting title to the said invention, the United States application for patent, or Letters Patent therefor for the benefit of Assignee without further or other compensation than that above set forth; and Assignor hereby requests the Commissioner of Patents and Trademarks to issue said Letters Patent to Assignee.
