ASSIGNMENT

WHEREAS, ETHANOL OIL RECOVERY SYSTEMS LLC ("EORS"), a Delaware limited liability company, is the owner of certain new and useful inventions as set forth in a United States Provisional Patent Application entitled METHOD OF RECOVERING OIL FROM CORN BYPRODUCTS AND RELATED SUBSYSTEM, filed August 17, 2004 and assigned Ser. No. 60/202,050 (now United States Patent Application Ser. No. 11/122,859 filed May 5, 2005 and PCT Patent Application Ser. No. PCT/US05/28937 filed August 15, 2005 (both applications entitled METHOD OF PROCESSING ETHANOL BYPRODUCTS AND RELATED SUBSYSTEMS)) by virtue of an assignment from the inventors recorded at Reel 016252, Frame 0954;

AND WHEREAS, CANTRELL WINSNESS TECHNOLOGIES, LLC a limited liability company of the state of Georgia having a place of business at 107 Lily Lane, Lakemont, Georgia 30552, is desirous of acquiring the entire right, title and interest in and to said inventions, to the above-referenced applications and any right of priority created by them, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained for said inventions;

NOW, THEREFORE, for good and valuable consideration, EORS does hereby sell, assign, transfer and set over unto CANTRELL WINSNESS TECHNOLOGIES, LLC, its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions as set forth in the above-mentioned application, the application and any right of priority created by it, and in and to any and all patents of the United States and foreign countries which may be issued for said inventions;

UPON SAID CONSIDERATIONS, EORS hereby agrees with the said assignee that it will not execute any writing or do any act whatsoever conflicting with these presents, and that it will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the

assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reexamined or reissued Letters Patent of the United States or of any and all foreign countries on said inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

AND EORS requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said inventions to said CANTRELL WINSNESS TECHNOLOGIES, LLC, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
