Assignor hereby authorizes the respective patent office or governmental agency in each jurisdiction to issue any and all patents, certificates of invention, utility models or other governmental grants that may be granted upon any of the Patents Rights in the name of Assignee, as the assignee to the entire interest therein.

At the reasonable request of Assignee Assignor will execute and deliver such other instruments and do and perform such other acts and things as may be reasonably necessary or desirable for effecting completely the consummation of the transactions contemplated hereby, including execution, acknowledgment and recordation of other such papers, and using commercially reasonable efforts to obtain the same from the respective inventors, as reasonably necessary or desirable for fully perfecting and conveying unto Assignee the benefit of the transactions contemplated hereby. To the extent that any inventor makes the provision of assistance subject to the payment of any fees or expenses, Assignor shall not be required to procure such assistance unless Assignee undertakes to reimburse Assignor for the same. Assignor's reasonable, out-of-pocket expenses and fees in providing the foregoing cooperation shall be paid or reimbursed by Assignee, provided that such expenses and fees are pre-approved by Assignee. Such pre-approval shall not be unreasonably withheld.

The terms and conditions of this Assignment of Patent Rights will inure to the benefit of Assignee, its successors, assigns and other legal representatives, and will be binding upon Assignor, its successor, assigns and other legal representatives.

IN WITNESS WHEREOF this Assignment of Patent Rights is executed at Montgomery County, PA
on August 15, 2006.
