**ASSIGNMENT**

WHEREAS, I/We, the below named inventor(s) (hereinafter referred to as Assignor(s)), have made an invention entitled:

**HAIR TREATMENT METHOD**

for which I/We executed an application for United States Letters Patent concurrently herewith or filed an application for United States Letters Patent on January 27, 2006 (Application No. 11/340,654 (to be filled in by Applicant's representative when known)); and

WHEREAS, L'ORÉAL S.A., a corporation of France whose post office address is **14, rue Royale, 75008 Paris, France** (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention, the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from assignee is hereby acknowledged, I/We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to this invention and this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and provisional application, U.S. Provisional Application No. 60/727,448, filed October 18, 2005; and I/We hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent for this invention to assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with assignee, its successors and assigns, any facts known to me/us respecting this invention and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to this invention in said assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States, it being understood that any expense incident to the execution of such papers shall be borne by the assignee, its successors and assigns.

AND, I/WE HEREBY authorize and request the attorneys I/We have empowered in the Declaration and Power of Attorney in this application, to insert here in parentheses (Application No. 11/340,654, filed January 27, 2006) the application number of said application when known.
