# ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the undersigned, UTAGAKI Kazuo, TSUGAWA Tatsuya and DOI Yoshitaka inventors named in a United States patent application executed by us on

January 11, 2007 and entitled INORGANIC PLATE AND PROCESS FOR PRODUCTION THEREOF, based on PCT application No. PCT/JP2005/015667 filed on August 29, 2005.

**Hereby sell, assign and transfer** to NICHIHA CORPORATION a corporation of Japan, having a place of business at 12, Shiodome-cho, Minato-ku, Nagoya-shi, Aichi 4550846 Japan (hereinafter "Assignee"), its successors, assigns and legal representatives, our entire right, title and interest in and to any and all inventions which are disclosed and claimed, and any and all inventions which are disclosed but not claimed, in said patent application, and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for U.S. Letters Patent or other related property rights which have been or shall be filed on any of said inventions disclosed in said application, including all priority rights; and in and to all original and reissued patents which have been or shall be issued on said inventions;

**Authorize and request** the Commissioner of Patents of the United States to issue jointly to said Assignee, its successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent or said inventions or any of them disclosed in said application;

**Agree** that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and legal representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

**Covenant** with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
