**ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS**

**WHEREAS, VASCA, INC.**, a corporation organized and existing under the laws of the State of Delaware and having a principal place of business at 3 Highwood Drive, Tewksbury, Massachusetts 01876 (the "Assignor"), is desirous of assigning, transferring and conveying to the Assignee hereinafter identified its entire right, title and interest in and to the United States and foreign patents and patent applications listed in Exhibit A attached hereto (the "Patent Properties") and the inventions disclosed and/or claimed therein; and

**WHEREAS, EXCELSIOR MEDICAL CORPORATION**, a corporation organized and existing under the laws of the State of Delaware and having a principal place of business at 1933 Heck Avenue, Neptune, New Jersey 07753 (the "Assignee"), is desirous of acquiring the Assignor's entire right, title and interest in and to the said Patent Properties;

**NOW, THEREFORE**, for good and valuable consideration as more particularly described in a Purchase Agreement dated as of the date hereof, entered into by and between the Assignor and the Assignee, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby sells, assigns, transfers and conveys unto the Assignee, its successors and assigns, its entire right, title and interest in and for the United States of America and all other countries in and to the aforesaid inventions and said Patent Properties, including any and all divisions, continuations or continuations-in-part thereof, and any reissues or reexaminations thereof, and in and to any and all applications for patents filed in this or any foreign countries for said inventions or improvements thereof, including all priority rights, and any and all patents which may be granted in foreign countries therefor, to have and hold the same to the full end of the term or terms for which any and all said patents have been granted, reissued or reexamined, together with all unsatisfied claims for damages by reason of past infringement of said Patent Properties and the right to sue for such damages and collect same;

**AND** the Assignor hereby authorizes and requests patent offices worldwide to recognize the said Patent Properties as being in the name of the Assignee, as owner of the entire right, title and interest in and to the same, for the sole use and benefit of the Assignee, its successors and assigns and requests that all patents maturing from said Patent Properties in the United States or any other countries be issued to the Assignee or to such nominees as it may designate;

**AND** the Assignor, for the considerations aforesaid, hereby covenants and agrees to and with the Assignee, its successors and assigns, that the Assignor, its successors and assigns, shall and will do all lawful acts and things and make, execute and deliver, at the expense of the Assignee, any and all other instruments in writing, further applications, papers, affidavits, assignments, and other documents which, in the reasonable opinion of counsel for the Assignee, its successors and assigns, may be required or necessary to more effectively secure and vest in the Assignee, its successors and assigns, the Assignor's entire right, title and interest in and to the Patent Properties and/or all of the rights, titles, benefits, privileges, and advantages hereby sold, assigned, transferred and conveyed, and that the Assignor will sign any applications for reissue which may be desired by the owner of the Patent Properties.
