ASSIGNMENT (executed in counterpart)

For good and valuable consideration, receipt of which is hereby acknowledged, I, Mark A. Sanders, having a place of business at MAS Design, Axis House, 77A Imperial Road, Windsor SL4 3RU, United Kingdom, hereby sell, assign, and transfer to Steedman Liddell Bass of Cambridge, Massachusetts, his successors and assigns, the entire right, title, and interest through the world in our invention in:

FOLDING HANDLEBAR

for which we have made a United States Utility Patent Application, Serial Number 10/404,005 filed on March 28, 2003 and all patent applications and patents of every country for said invention, including divisions, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, his successors, assigns, and nominees, at his request and expense, in obtaining and enforcing patents for said invention in all countries; and I request the Commissioner for Patents and Trademarks to issue all patents granted for said invention to the above-named assignee, his successors, and assigns.

Executed this 28 day of March, 2007.
