PROPULSIVE ANTI-TORQUE SYSTEM FOR ROTORCRAFT

for which application is being made for Letters Patent, and for which an international application has been filed, said international application being identified as Attorney Reference No. **0837RF-H560P**, filed 28 September 2004.

WHEREAS, **BELL HELICOPTER TEXTRON INC.**, a corporation of the State of Delaware, having a correspondence address at P.O. Box 482, Fort Worth, Texas 76101, is desirous of acquiring our entire right, title, and interest in said invention and applications and any Letters Patent which may issue thereon.

NOW THEREFORE, be it known by all whom it may concern that for and in consideration of One Dollar (\$1.00), the receipt and sufficiency of which are hereby acknowledged, and other good and valuable consideration, we hereby assign to said corporation for the territory of the United States of America and the entire world our entire right, title, and interest in and to said invention, and any patent applications that may be filed thereon, including any utility, design, provisional, continuation, continuation-in-part, divisional, reissue, reexamination, and international applications, and any patents that may issue therefrom, including all priority rights for patent applications foreign to the United States of America.

WE HEREBY covenant and agree that we will at any time, upon the request and at the expense of said corporation, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention, applications, and patents, and we authorize the Commissioner for Patents to issue Letters Patent to said corporation.

IN TESTIMONY WHEREOF, we execute this Patent Application Assignment on the date set forth below.
