ASSIGNMENT AND AGREEMENT

For good and valuable consideration, We, Roman E. Pichardo residing at 17 Pitcher Ave., Medford, MA 02155 citizen of the United States; and Dina Lynn LaTulippe residing at 50 Sevoian Drive, Methuen, MA 01844 citizen of the United States; hereafter individually or collectively referred to as "Assignor";

Hereby sell, assign, and transfer to Draeger Medical Systems, Inc., a corporation organized and existing under the state laws of Delaware having its principal place of business at 6 Tech Drive, Andover, MA 01810, hereinafter "Assignee", its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned and filed on February 5, 2007 and given US Serial No.: 11/671,059.

Entitled: A System for Managing Memory Storing Data in One or More Wireless Transceiver Devices

and in and to said application and all divisional, continuing substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns, and legal representatives to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof, and generally do everything possible which said Assignee, its successors and assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
