ASSIGNMENT

WHEREAS, we, CHRIS LEWELLEN, a United States citizen, residing at 2890 CR 813, Ripley, Mississippi 38663; LARRY OWENS, a United States citizen, residing at CR 8461, House 152, Booneville, Mississippi 38829; and JAMES D. HOBBS, a United States citizen, residing at 110 Windbrush Drive, Ridgeland, Mississippi 39157, made certain new and useful inventions and improvements entitled BRACKET AND BRACKETED ASSEMBLIES AND SYSTEM FOR FURTHER ASSEMBLY, for which we have executed application for patent serial number 11/534,157 filed September 21, 2006 in the United States.

AND WHEREAS, MOBILIS SYSTEM, LLC, a Limited Liability Company organized and existing under and by virtue of the laws of the State of Mississippi, and having an office and place of business at Post Office Box 1404, Tupelo, MS 38802-1404 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Patent to be obtained therefore;

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions disclosed in the aforesaid application, and in and to the said application, all divisions, continuations, or renewals thereof, all Patents which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Patents on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Patents of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Patents for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Patents, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
