PATENT ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned, James K. Jacobs, residing at 69 Albany Avenue, Toronto, Ontario, M5R 3C2 CANADA:

(1) Hereby sell, assign and transfer to ELECTROVAYA INC. (the "Assignee"), a corporation of the Province of Ontario, Canada, having a place of business at 2645 Royal Windsor Drive, Mississauga, Ontario, L5J 1K9, Canada, its successors, assigns and legal representatives, the entire right, title and interest for the United States, Canada and all foreign countries, in and to any and all improvements (the "Improvements") which are disclosed in the application for United States Letters patent, entitled "Integrated Power Supply System," which is the subject of U.S. application no. 10/822,856 filed in the U.S. Patent and Trademark Office on 13 April 2004 (the "Application"), and in and to the Application and all divisional, continuing, substitute, renewal, reissue, any application claiming priority (in whole or in part) on the Application, and all other applications for Letters Patent which have been or shall be filed in the United States, Canada and all foreign countries on any of the Improvements; and in and to all original and reissued patents which have been or shall be issued in the United States, Canada and all foreign countries on the Improvements;

(2) Agree that the Assignee may apply for and receive Letters Patent for the Improvements in its own name; and that, when requested, without charge to but at the expense of the Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, any application claiming priority (in whole or in part) based on the Application and all other patent applications on any and all the Improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to the Assignee, its successors, assigns and representatives, all facts known to the undersigned relating to the Improvements and the history thereof; and generally do everything possible that the Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining patent protection for the Improvements and for all patents on the Improvements, in the Assignee, its successors, assigns and legal representatives; and

(3) Covenant with the Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

Executed at Mississauga, Ontario, Canada
