ASSIGNMENT

WHEREAS, we, Puneet Gupta, of Bangalore, Country of India; Saurabh Aggarwala, of Lucknow, Country of India; and Kartik Muralidharan, of Bangalore, Country of India, have invented a certain invention, entitled WIRELESS DELIVERY OF NON-STANDARD FRAME FIELD INFORMATION VIA BROADCAST FRAMES, for which we are making application for Letters Patent of the United States, said application having a serial number of 11/615,546 and filed by us on the 22 day of December, 2006; and

WHEREAS, Infosys Technologies Ltd., a corporation organized under the laws of India, having a place of business at Electronics City, Hosur Road, Bangalore 560 100, India, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Puneet Gupta, Saurabh Aggarwala, and Kartik Muralidharan, hereby sell, assign and transfer to Infosys Technologies Ltd., the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Infosys Technologies Ltd., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and

covenant that we have full right so to do, and agree that we will communicate to Infosys Technologies Ltd., or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Infosys Technologies Ltd., its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
