**CONFIRMATION OF ASSIGNMENT**  
**Inventor to ResMed Corp**

WHEREAS, I, Kenneth George RAVAZZOLO, have made a certain new and useful invention relating to INVENTORY AND PATIENT MANAGEMENT SYSTEM, for which application has been made for Letters Patent of the United States and which application may be identified in the United States Patent Office as Patent Application Serial No 11/674,756, filed on February 14, 2007, titled INVENTORY AND PATIENT MANAGEMENT SYSTEM; and

WHEREAS, I now own the right, title and interest in and to the invention which shall be referred to as the "Inventive Subject-Matter" in this Assignment; and

WHEREAS, ResMed Corp, incorporated in the State of Minnesota, United States of America, whose postal address is 14040 Danielson Street Poway, California 92064-6857, United States of America, is desirous of acquiring the entire right, title and interest in and to said Inventive Subject-Matter, said application, or any continuation, or divisional application, renewal, or substitute thereof, and the Letters Patent, or any reissue or re-examination thereof, to be obtained therefor:

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, and set over and by these presents do hereby sell, assign and set over unto the said ResMed Corp's legal representatives, successors and assigns, the entire right, title and interest in and to said Inventive Subject-Matter, said application or any continuation, or divisional application, renewal or substitute thereof, international and foreign and regional applications corresponding thereto, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or re-examination thereof, and I do hereby authorize and request the U.S Commissioner of Patents and Foreign Commissioner of Patent to issue said Letters Patent to the above-mentioned ResMed, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, I hereby covenant and agree with ResMed Corp that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration, but at the expense of ResMed Corp, execute such additional assignments and other writings and do such additional acts as ResMed Corp may deem necessary or desirable to perfect ResMed Corp's or its assign's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, or divisional application, renewal,

reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said Inventive Subject-Matter, and in enforcing any rights or chose in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties.

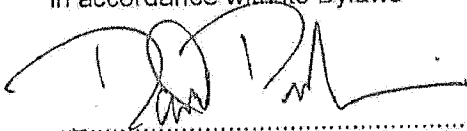

IN WITNESS WHEREOF, we have hereunto set our hands on the date indicated below.
