**ASSIGNMENT OF INVENTION
UNIVERSAL**

WHEREAS, We,

Nell F. Hamilton, whose full post office address is
40 Bannock Crescent, Kanata, Ontario, K2K 2P9, Canada

Arthur J. Low, whose full post office address is
23 Adamson Road, Chelsea, Quebec, J9B 2J4, Canada

have invented certain improvements in and described in United States Patent Application entitled **Flexible Architecture for Processing of Large Numbers and Method Therefor** filed herewith, and;

WHEREAS, Elliptic Semiconductor Inc. (hereinafter referred to as the assignee), whose full post office address is 308 Legget Drive, Suite 202, Kanata, Ontario, K2K 1Y6, Canada is desirous of acquiring the entire right, title and interest in and to said invention or inventions and in and to any and all patents to be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, we have and by these presents do hereby sell, assign and transfer unto said assignee, its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application, and in and to any applications filed in any foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents, reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions, and any divisional, continuation, substitute application(s) or supplementary disclosure(s) which may be filed upon said invention or inventions, in any country; and we hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said assignee.

WE FURTHER AGREE that in exchange for payment at reasonable rates (reasonable professional engineering consulting rates should we no longer be employed by the assignee or our salary should we be so employed) and reimbursement of reasonable expenses incurred by the undersigned to communicate to said assignee, its representatives or agents, any facts relating to said invention or inventions, including evidence for interference purposes or for other proceedings, when requested and in accordance with a mutually agreeable schedule, such agreement not to be unreasonably withheld; testify in any interference or other proceedings, when requested and in accordance with a mutually agreeable schedule, such agreement not to be unreasonably withheld; and execute and deliver, on request, all

lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon our heirs, legal representatives, administrators and assigns.
