ASSIGNMENT of INTELLECTUAL PROPERTY

Assignor: X Out Corporation

Address: 1729 Arrowhead St.

North Las Vegas, NV 89030

Assignee: George Nelson

Address: 154 S 300 W

Logan, Utah 84321-6137

Title of Invention: VIEWER CONTROLLED MULTI-FUNCTION SYSTEM FOR PROCESSING TELEVISION SIGNALS

U.S. Patent Application:

U.S. Patent Application Serial No.: 6,553,566

Issue Date: April 22, 2009

For good and valuable consideration, the receipt of which is hereby acknowledged, the above-named Assignor hereby sells, assigns and transfers to Assignee, the full and exclusive right, title and interest in and to the above-identified invention, patent application and patent rights throughout the world, including foreign patent priority rights; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues, non-provisionals and extensions thereof, to be held and enjoyed by Assignee, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, and covenant that Assignor has full right so to do, and agree that Assignor will communicate to Assignee, or its successors and assigns, any facts known to Assignor respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, non-provisional and reissue applications, make all rightful oaths, and do everything possible to aid Assignee, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

Assignor hereby represents and warrants to Assignee that Assignee holds good and marketable title to the above-identified invention, patent application and patent rights throughout the world, including foreign patent priority rights, free and clear of restrictions on or conditions to transfer or assignment and free and clear of liens, pledges, leases, charges or encumbrances.

In the event that the patent application filing date or serial number is not known at the time this document is executed, Assignor hereby grants permission to the attorneys of record in the patent application to fill in the filing date and/or serial number above, and to record this assignment after such information is added.

Executed at Palm Coast, Florida, this 2nd day of January, 2007.
