ASSIGNMENT OF UNITED STATES PATENT RIGHTS

WHEREAS, I Antonio AMENGUAL PERICAS, of Pol. Ind. de Cancienes s/n, E-33470 Corvera (Asturias), Spain, am the inventor of certain new and useful Inventions and Improvements in "LATERAL IMPACT CONTAINMENT SYSTEM FOR VEHICLES, WITH HIGH ENERGY ABSORPTION AND CONTAINMENT CAPACITY" set forth and described in an application for Letters Patent of the United States (the "Invention"), and

[] executed by me on _____

[X] having United States Patent Application No. 11/573,157 and a filing date of March 22, 2005, together with all applications derived from such application, hereinafter referred to as the "above applications"), and

WHEREAS, HIERROS Y APLANACIONES, S.A., a company organized under the laws of Spain, of Pol. Ind. de Cancienes s/n, E-33470 Corvera (Asturias), Spain, hereinafter termed the Assignee, desires to acquire the application and the invention disclosed therein in accordance with agreements duly entered into between us;

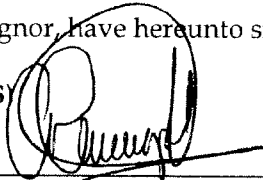

NOW THEREFORE, BE IT KNOWN that I, the Assignor, for and in consideration of the said agreements, and other good and valuable consideration, the receipt of which is hereby acknowledged, do hereby assign, confirm any prior assignment, sell, transfer and set over unto the Assignee, the entire right, title and interest in and to the invention in the United States, in and to the above applications, any patent granted on the above applications or future related applications in the United States together with the right to claim in any country the priority of the above applications, the right to sue in any country for past infringement of the Patents, Invention and above applications, and the right to file an International application under the Patent Cooperation Treaty;

AND I, the Assignor, hereby affirm that our title in and to the Patents, Invention and the above application hereby conveyed are free from any and all outstanding licenses and adverse rights and we hereby covenant that we will, for the consideration aforesaid, hereafter execute any and all lawful documents and papers which may be necessary to completely vest the title in the United States of America to the Patents, the Invention, and the above application, to any patent issuing on any such application, to any applications directed to the Invention and to any divisional, continuation, continuation-in-part, nonprovisional-after-provisional or other application claiming the benefit or priority of the above application, renewal, division, reissue or reexamination of the Patents or above application and all foreign counterparts thereof, in the Assignee, its successors or assigns;

AND I, the Assignor, hereby request and authorize the Director of Patents and Trademarks to issue the or those Letters Patent of the United States of America which may be granted on the above applications and Invention, to the Assignee, its successors and assigns.

IN WITNESS WHEREOF, I, the Assignor, have hereunto signed our names as follows:
