## **DESIGN PATENT ASSIGNMENT**

This assignment is made on March 14, 2007 by Lenny Sands of Encino, California (Assignor), to Homeland Housewares, LLC, having a place of business at 11755 Wilshire Boulevard, Suite 1150, Los Angeles, CA 90025 ("Assignee").

WHEREAS, Assignor has invented a new, original, and ornamental design entitled "Single-Shot Blender and Drinking Vessel", for which a United States Design Patent Application will be filed, further identified by Cislo & Thomas' Docket No. 06-17144 (Design Patent Application);

WHEREAS, Assignor believes himself to be the original, first, and sole inventor of the Design(s) disclosed and claimed in said Design Patent Application; and

WHEREAS, Assignee desires to acquire, by formal, recordable assignment, his entire right, title and interest in, and to, said Design(s) and said Design Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee his entire right, title and interest, including the right of priority, in and to said Design(s), said Design Patent Application for said Design(s) in the United States and throughout the world, any and all Design Patents of the United States and throughout the world granted thereon or therefor, and any and all provisional, divisional, reissue, continuation, substitute, or renewal applications thereof which have been or shall be filed in the United States and any and all equivalents thereto throughout the world, including the right to file foreign applications directly in the name of

Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Design Patent Application in the United States and throughout the world for said Design(s), and for perfecting, recording or maintaining the title of Assignee, its successors, and assigns to said Design(s), and said Design Patent Application for said Design(s), in the United States and throughout the world.

Assignor represents and warrants that he has not granted, and will not grant, to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and throughout the world to issue any Design Patents granted for said Design(s), whether on said Design Patent Application or on any subsequently filed divisional, continuation, continuation-in-part, reissue, substitute, or renewal application, to Assignee, its successors and assigns, as the assignee of his entire interest in said Design(s).

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date first above written and as set forth below.
