"Method and apparatus for encoding and decoding images"

the assigned interest in the Patent Portfolio being the entire ownership of the Patent Portfolio, including any US patents granted in any reissue or re-examination application thereof, to be held and enjoyed by Assignee, its successors, assigns or legal representatives to the full end of the term for each patent in the Patent Portfolio, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

AND Assignor further covenants and agrees that it will upon request, without further or additional consideration, but at the expense of Assignee, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the Patent Portfolio in Assignee, its successors, assigns or legal representatives.

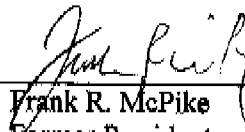

AND Assignor further covenants and agrees that it will at any time upon request communicate to Assignee, its successors, assigns or legal representatives any facts relating to the Patent Portfolio, or the history thereof known to it, and testify as to same in any interference or other litigation when requested so to do.

AND Assignor further covenants that the foregoing provisions shall be binding upon its heirs, legal representatives, administrators, or assigns.

Reference is made herein to an Assignment of United States of America Letters Patent by Assignor to Assignee and signed on 7/10/02, and submitted for Recordation in the United States Patent and Trademark Office on July 10, 2002 with a Letter Submitting Multiple Assignments for Recordation of the same date.

IN WITNESS WHEREOF, the undersigned for Assignor has hereunto set his hand as indicated below.
