Exclara Inc. Assignment

**ASSIGNMENT AND AGREEMENT**

For value received, we, **Anatoly Shteynberg** of the City of San Jose and State of California, **Harry Rodriguez** of the City of Gilroy and State of California, and **Dongsheng Zhou** of the City of San Jose and State of California, hereby sell, assign and transfer to **Exclara Inc.**, a corporation of the State of Delaware, having an office at 2560 Mission College Blvd., Suite 103, Santa Clara, California, 95054 U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **IMPEDANCE MATCHING CIRCUIT FOR CURRENT REGULATION OF SOLID STATE LIGHTING** described and claimed in an application for Letters Patent of the United States executed by us and filed January 19, 2007 as U.S. Patent Application Serial No. 11/655,558 and with a claim of priority to United States Provisional Application Serial No. 60/760,157 filed on January 20, 2006, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Exclara Inc., the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Exclara Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Exclara Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Exclara Inc. in the United States and in all countries foreign to the United States, or to such nominees as Exclara Inc. may designate.

Exclara Inc. Assignment

We agree that, when requested, we shall, without charge to Exclara Inc. but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
