ASSIGNMENT

WHEREAS, I, AUTUMN SHAWN HOPKINS, a citizen of the United States, residing at 2500 Moosic Lake Road, Jessup, PA 18434 (hereinafter "ASSIGNOR"), have invented a new and original design for a MAGNETIC DISPLAY TRAY, for which an application for United States design patent has been executed by me concurrently herewith.

WHEREAS, THE PAPER MAGIC GROUP, INC., a corporation organized and existing under the laws of the State of Delaware and having a place of business at 1105 North Market Street, Wilmington, Delaware 19899 (hereinafter "Assignee"), is desirous of acquiring Assignor's entire right, title and interest in and to said design, said application and any Design Patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee her entire right, title and interest in and for the United States of America and all other countries in and to said design and the aforesaid application for patent, all original, divisional, continuation, continuation-in-part, substitute, reexamination or reissue applications and patents applied for or granted therefor or therefrom in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said application and/or applications resulting therefrom to said Assignee herein as Assignee of the entire interest therein; and the undersigned for her and her legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue, reexamination and other applications for patent on said design and all assignments and powers of attorney thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said design, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said design in all countries, the expenses incident to said applications to be borne and paid by said Assignee or its assigns.
