PATENT ASSIGNMENT

PARTIES TO THE ASSIGNMENT

Assignors:

Gary C. Rosenfield

2113 West 850 N. Street, Cedar City, Utah 84720, USA

Robert A. Rosenfield

582 Cervantes Drive, Henderson, Nevada 89014, USA

Assignee:

RCS Rocket Motor Components, Inc.

2113 West 850 N. Street, Cedar City, Utah 84720, USA

WHEREAS, Assignors (listed above) are the inventors of certain new and useful inventions and improvements claimed and described in an application for Letters Patent of the United States entitled "Rocket Ejection Delay Apparatus and/or Method" and referenced above;

AND WHEREAS, Assignee, a corporation organized and existing under and by virtue of the laws of the State of Nevada, and having an office and place of business indicated above, is desirous of acquiring the entire right, title and interest in and to said

inventions and improvements and in and to the applications, and in and to any letters patent to be obtained therefrom;

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said Assignee, its successors or assigns, the entire right, title, and interest in and to said inventions and improvements, said applications, and any and all letters patent which may be granted for said invention and improvements in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of Assignee and to claim priority rights deriving from said United States applications to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said inventions and improvements, applications and all letters patent on said invention and improvements to be held and enjoyed by Assignee and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignors had this assignment, transfer and sale not been made. Assignors hereby authorize and request the Commissioner of Patents to issue all letters patent on said invention to Assignee;

AND, for the consideration aforesaid, Assignors do hereby agree that each Assignor and his executors and legal representatives will make, execute, and deliver any and all other instruments and documents in writing including any and all further applications papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to each of us relating to said inventions and improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable to more effectually secure and vest in said Assignee, its successors or assignees the entire right, title and interest in and to the improvements, inventions, applications, letters patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be;

AND, furthermore, Assignors covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Assignors and that full right to convey the same as herein expressed is possessed by the Assignors.
