ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned Denis LaBombard, of 7 Boardman St., Georgetown, MA 01833, hereby:

- Sell, assign and transfer to SANDBOX LLC, a Massachusetts Limited Liability Corporation, having a place of business at 7 Boardman St., Georgetown, MA 01833, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent filed on March 26 2007 and entitled Self Locking Tissue Fastener, and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States or in any foreign countries or jurisdictions, including all rights of priority under the International Convention for the Protection of Industrial Property, on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries or jurisdictions on said inventions including the right to apply for patent rights in each foreign country and all rights to priority.

- Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name; and when requested, without charge to but at the expense of said Assignee, agree to carry out in good faith the intent and purpose of this assignment by executing all divisional, continuing, substitute, renewal, reissue and all other applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to us relating to said inventions and the history thereof, and generally by doing everything possible which said Assignee shall consider desirable for securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents, and patents in said inventions, to said Assignee; and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and its territories and in all other foreign countries and jurisdictions to said Assignee, with specifications and claims in such form as shall be approved by the counsel of said Assignee,

- Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us, and that full right to convey the same as herein expressed is possessed by us.

- And said Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said Assignee, its successors and assigns.
