**ASSIGNMENT
JOINT**

THIS ASSIGNMENT, by Anthony G. DOYLE and Philip A. JENNINGS (hereinafter referred to as the assignors), residing at 6B Plunkett Street, Drummoyne, NSW, 2047, Australia and 5 Oswald Close, Warrawee, NSW, 2074, Australia, respectively, witnesseth:

WHEREAS, said assignors have invented certain new and useful improvements in ANTI-INFLAMMATORY DAB, set forth in an application for Letters Patent of the United States, bearing Serial No. 11/659,009 with an international filing date of December 20, 2006, and in International Patent Application PCT/AU2006/001940, filed December 20, 2006; and

WHEREAS, Peptech Limited, a company duly organized under and pursuant to the laws of Australia and having its principal place of business at 19-25 Khartoum Road, Macquarie Park, NSW, 2113 Australia (hereinafter referred to as the assignee) is desirous of acquiring their entire right, title and interest in and to said inventions and said application for Letters Patent of the United States, and to said inventions in and to said International Patent Application and any national phase applications for Letters Patent thereof, or applications for Letters Patent claiming benefit thereof, and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, said assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said assignee, its successors, legal representatives and assigns, their entire right, title and interest in and to the above-mentioned inventions, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to said inventions in and to said International Patent Application and any national phase applications for Letters Patent thereof, or applications for Letters Patent claiming benefit thereof, and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said applications, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said assignors are the sole and lawful owners of their entire right, title and interest in and to said inventions and the application for Letters Patent above-mentioned, and in and to said inventions and said International Patent Application, and that the same are unencumbered and that said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, and in and to said inventions and said International Patent Application, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use of said assignee, its successors, legal representatives and assigns.

"I hereby authorize and request the assignee's attorneys, Morrison & Foerster LLP, to insert here in parentheses (Application number 11/659,009, with an international filing date of December 20, 2006) the application number of said application when known."
