ASSIGNMENT

WHEREAS, (I) We, Dr. Marvin Dehmlow,
of Fregestraße 38a, 12161 Berlin, Germany; have invented
certain improvements in

Elevator Rescue Operation Control System
identified as Attorney Docket No. 53.86409 and described in an international patent application
under the Patent Cooperation Treaty, as further identified hereinbelow, and

WHEREAS, OTIS ELEVATOR COMPANY, of Farmington, Connecticut, a corporation
of the State of New Jersey, United States of America, (assignee) is desirous of acquiring the entire
worldwide right, title and interest in and to said invention or inventions and any and all Patents,
utility models, design patents or other industrial property rights to be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable
consideration, the receipt of which is hereby acknowledged by the undersigned, the undersigned
do(es) hereby sell, assign, transfer and set over unto said assignee, its successors and assigns, to the
extent owned or assignable by the undersigned, all right, title and interest in and to said invention or
inventions, as described in the aforesaid patent application, in any form or embodiment thereof, and
in and to the aforesaid application; and in and to any application filed in any country or other
authority based thereon, including the right to file said applications

under the provisions of the Paris Convention for the Protection of Industrial Property; also the
entire right, title and interest in and to any and all patents or reissues or extensions thereof to be
obtained in any country upon said invention or inventions and any divisional, continuation,
continuation-in-part or substitute applications which may be filed upon said invention or inventions
in any country or other authority; and the undersigned hereby authorize(s) and request(s) the issuing
authority to issue any and all patents on said application or applications to said assignee or its
successors and assigns.

The undersigned further agree(s), without any further payment or compensation by said
assignee or its successors and assigns, to communicate to said assignee, its representatives or agents
or its successors and assigns, any facts relating to said invention or inventions including evidence for
interference purposes or for other legal proceedings whenever requested; testify in any interference or
other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers
required to make any of the foregoing provisions effective; and generally do everything possible to aid
said assignee, its successors or assigns and nominees to obtain and enforce proper patent protection
for said invention or inventions in any country.

The undersigned hereby authorize(s) the assignee to insert the application number and filing
date of the above-noted international patent application into the following spaces, when known:

Int'l. Application No. PCT/EP2004/014875 Int'l. Filing Date: 31.12.2004
