ASSIGNMENT

WHEREAS, RONALD H. GRIFFIN, a citizen of the United States of America, residing at 2921 Cranberry Road, Boonville, North Carolina 27011, (referred to hereinafter as "Assignor"), has collaborated with his co-inventor, ROBERT RUNG, to make a new and original ELONGATED SUCTION OUTLET ASSEMBLY WITH INTRINSICALLY SAFE SUMP, for which U.S. Nonprovisional Application Serial No. 11/520,499 was previously filed on September 13, 2006.

WHEREAS, H-TECH, INC., a corporation organized and existing under the laws of the State of Delaware and having a place of business at 103 Springer Building, 3411 Silverside Road, Wilmington, Delaware 19810 (referred to hereinafter as "Assignee"), is desirous of acquiring Assignor's entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and sets over to Assignee his entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid application for patent, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said applications and/or applications resulting therefrom to Assignee; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reissue and other applications for patent on said invention and all assignments and powers of attorney thereof to Assignee or its assigns, to communicate to Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by Assignee.
