**EMPLOYEE'S INVENTION AGREEMENT**

In part consideration of my employment by DODGE MANUFACTURING CORPORATION, Division of Reliance Electric Company, hereinafter referred to as Dodge Manufacturing Corporation and of the compensation now and hereafter paid to me in connection therewith, and of my position with said Corporation which brings me into contact with the activities of said Corporation in connection with engineering, research or development work, I hereby agree to use my skill and ability, in connection with any work assigned to me, to discover, make and invent new and useful improvements and inventions relating to the art and business of said Corporation, and to assist other employees to do so, and to disclose promptly to my superior any and all discoveries, improvements and/or inventions relating to the art and business of said Corporation or adaptable to the production facilities thereof, which I may conceive or make, either solely or jointly with others, during the term of my employment (during working hours or otherwise) and for six (6) months thereafter.

I further agree, without further consideration, to assign, and by these presents do hereby assign and transfer, all of my entire right, title and interest in and to the aforesaid discoveries, improvements and inventions, to DODGE MANUFACTURING CORPORATION, its successors and assigns, and I agree, upon the request of said Corporation, to execute and deliver all documents and do all acts necessary to secure to DODGE MANUFACTURING CORPORATION, its successors and assigns, or its nominee, the entire right, title and interest in and to said discoveries, improvements and inventions, including applications for and/or Letters Patent of the United States, and countries foreign thereto, PROVIDED, the cost of preparing such papers, assignments and applications for Letters Patent, and the prosecution and maintenance of said applications for and/or Letters Patent, and of all proceedings and litigation is borne by DODGE MANUFACTURING CORPORATION, or its nominee.

I also agree that, unless authorized by DODGE MANUFACTURING CORPORATION, I will neither disclose to any other person or company, nor use for my own personal benefit during or after my employment, any information relating to the experimental and research work of the Corporation or its subsidiaries, its methods, processes, tools, machinery, formulae, or drawings acquired in the course of my employment.

IT IS UNDERSTOOD that DODGE MANUFACTURING CORPORATION does not, by or under this Agreement, obtain any right or interest in and to any discoveries, improvements, inventions, applications for and/or Letters Patent owned or controlled by me prior to the time of my employment by said Corporation, as specifically identified on the reverse side hereof and substantiated by documentary evidence of a character acceptable by the United States Patent Office for proof of conception and reduction to practice.

This Agreement shall be binding upon and inure to the benefit of the parties hereto, their respective heirs, executors, administrators, legal representatives, nominees and assigns.
